A TENURE TRACK POSITION

Department of Chemistry,
Bar-Ilan University

A tenure- track faculty position

**in the Chemistry Department is open at
the Faculty of Exact Sciences at Bar-Ilan
University.**

We are looking for excellent scientists interested in establishing an innovative research program in Energy, Analytical Chemistry, Chemical Biology, and Environmental Chemistry.

Application deadline: Formal evaluation of candidates will begin in October 2024, and will continue until the position is filled. Successful applicants are expected to lead an active and independent research program and contribute to core and advanced undergraduate and graduate teaching.

The Chemistry Department consists of 28 faculty members from the fields of Energy, Medicinal Chemistry, Computational Chemistry and Materials Sciences, offering a thriving and multidisciplinary research environment.

Requirements:

The applicants should hold a PhD and have demonstrated excellence and strong research record during their doctoral and postdoctoral training.

Contact person:

For more information and inquiries, please contact Prof. Sharon Ruthstein, Sharon.ruthstein@biu.ac.il

How to apply:

The application should include:

1. Letter of intent
2. Curriculum Vitae, including a list of publications.
3. Research statement – future research and scientific vision (max. 5 pages)

Please send all application documents to Prof. Sharon Ruthstein, Sharon.ruthstein@biu.ac.il
