

Department of
Chemistry
Faculty of Exact Sciences
Bar-Ilan University

Food security, as defined by the World Food Summit in 1996, is "when all people, at all times, have physical and economic access to sufficient, safe and nutritious food that meets their dietary needs and food preferences for an active and healthy life"

**ChemLife Center and the
Department of Chemistry,
Faculty of the Exact Sciences
Bar-Ilan University invite you
to a Mini symposium**
